## October 2016

### Westdene Building Update

We are counting down the days before moving back into our new and revamped front building, estimated to be around the end of October 2016. Since the fire in the front building we were still able to service 1738 clients with 2649 treatments which is an average of 32 per day in the combination of the 2<sup>nd</sup> and 3<sup>rd</sup> buildings. We are thankful to all our loyal clients for the support during this time. Please do send us feedback on our current services and ideas for the future to [info@poshlab.co.za](mailto:info@poshlab.co.za) where Palesa, our General Manager will be keen to hear from you.

### Wedding bells for Posh Lab Brandwag

Our beautiful Team leader of our Brandwag Hair department, Maryka Heyneke got married on 1 Oct. with the love of her life, Christopher Andrews.

Maryka will be on leave from 30 September to 10 October and will return on 11 October.
