

Posh Lab Newsletter – October 2018

Matric Magic

And magic we made indeed with the wonderful young ladies from Bloem. It was wild, it was crazy but we enjoyed every minute! Posh Lab also had the opportunity to sponsor various underprivileged individuals via different institutions and also thank our clients who sponsored matrics as well. We are blessed to be able to make a difference.

Watch the video on the Dan Pienaar Facebook page where a client donates her hair for cancer awareness! So entertaining, cute and just AWESOME!

No child care? No problem!

Apart from various kids friendly services offered at the Westdene salon, the Playground, where we are situated, also offers a complimentary play area with qualified nannies to look after your precious kids. If you also want to keep an eye, no problem, we have transvision branding and in-salon TV screens for additional peace of mind! Please also call us for quotes on kids parties and functions varying from size 2 to 40 clients of all ages.

Posh Lab Privilege

Human Touch Interactive is marketing a limited set of privilege cards to allow

new or long last visiting clients to receive services of more than R700 over 3 visits while buying these cards for only R200. Each visit also

has a set of bonuses to offer to ensure even more value for money if you want! Look out for their reps, it's for real! This is truly an amazing offer to come and experience the essence of Posh Lab or to give this as a gift to someone dear to you. Offered from both the Westdene and Dan Pienaar salons.
